

## Christmas Categories Game

When doing a Categories Game, think of a word or phrase beginning with the indicated letter. If nothing comes immediately to mind, get creative. You want any word or phrase that connects to the category, no matter how remotely. Think of nouns, verbs, adjectives, adverbs. Consider every aspect of the category in order to come up with answers.

In today's game, you will probably be able to think of answers directly related to Christmas. But you may need to come up with a more generic answer in some cases. I know I did.

Of course, you can do these simple games by just thinking of answers. But I have included a download version, in case you want a hard copy. On the second page of the download, you will find my answers.

Have fun!
